

September - October Competition Winner

To enter our September/October competition we asked you to tell us your idea of the best holiday. It could have been one you have already been on, one you are planning or the big one you would go on when you won the lotto.

The winner would be selected based on creativity and imagination.

We had some amazing entries and it certainly was hard to pick a winner!

Our lucky winner is Erica P. Erica has won herself a digital camera and Spring Holiday Pack!

We hope you enjoy.

Erica's Holiday Entry

An island completely made of chocolate and lollies. The ocean would be made of flavoured milk. The lollies and chocolate would never melt and all you little friends would be made of marshmallows.
