*Our favorite entry and winner was for "Cathy Freeman"

' She is an indigenous Australian, great athlete and gold medallist in four hundred meters at the Sydney Olympic games. She has also won many medals in the world championships. Cathy was also part of the Australian team in the 2000 Olympic games. This remarkable lady is a great role model to all Australians, especially indigenous Australians. She is a warm, friendly lady with a great smile. I enjoyed seeing her light the Olympic flame in 2000.' By Shari C.
